EDITORIAL

Welcome to the sixth edition of *The International Comparative Legal Guide to: Lending & Secured Finance*.

This guide provides corporate counsel and international practitioners with a comprehensive worldwide legal analysis of the laws and regulations of lending and secured finance.

It is divided into three main sections:

Three editorial chapters. These are overview chapters and have been contributed by the LSTA, the LMA and the APLMA.

Twenty one general chapters. These chapters are designed to provide readers with an overview of key issues affecting lending and secured finance, particularly from the perspective of a multi-jurisdictional transaction.

Country question and answer chapters. These provide a broad overview of common issues in lending and secured finance laws and regulations in 54 jurisdictions.

All chapters are written by leading lending and secured finance lawyers and industry specialists and we are extremely grateful for their excellent contributions.

Special thanks are reserved for the contributing editor Thomas Mellor of Morgan, Lewis & Bockius LLP for his invaluable assistance.

Global Legal Group hopes that you find this guide practical and interesting.
